~~CONFIDENTIAL~~

26 February 1954

MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: Weekly Report for Week Ending 26 February 1954

1. General

b. Reproduction Facilities, "K" Building - (new item)

A project has been established to install additional reproduction equipment in "K" Building so that more adequate service can be rendered within the DD/P complex on rush jobs. Target date for completion of this project is dependent upon availability of space.

3. Staff Item of Interest

a. Additional Press Equipment - (new item)

A request has been submitted to the Congressional Joint Committee on Printing for one additional offset press which is required in the reproduction of ORR finished intelligence reports. This press is urgently needed so that adequate service may be rendered.
